Blighton, who at one time edited the Bisbee Miner and later went to Tucson, where he edited the Voice of the People, and defended himself against charges of criminal libel. Later he is alleged to have libeled Judge Sloan in a magazine article, which cost the publishers a large sum in settlement.

SPECIAL ATTRACTION IS ORPHEUM OFFER

Beginning tonight, Oct. 9th, at the Orpheum, Ed Armstrong and his Baby Dolls will present the biggest and best musical comedy ever presented in the city entitled "September Morn."

This show ran for over a year at the La Salle opera house, Chicago, and was considered both by the public and press as the most massive production ever presented on any stage. Mr. Armstrong has arranged for special costumes and scenery for this play, and the electrical effects alone are worth the price of admission.

Miss Jean Jarvis, who was the original September Morn, will play that part, not mentioning the rest of the cast; in addition to the regular show the management of the Orpheum has secured two feature pictures. First show begins at 6:30; second at 8 p. m.

A DETERMINED WOMAN.

Finally Found a Food that Helped Her

"When I first read of the remarkable effects of Grape-Nuts food, I determined to secure some," says a woman. "At that time there was none kept in this town, but my husband ordered some from a commercial traveler."

"I had been greatly afflicted with sudden attacks of cramps, nausea, and vomiting. Tried all sorts of remedies and physicians, but obtained only temporary relief. As soon as I began to use Grape-Nuts the cramps disappeared and have never returned."

"My old attacks of sick stomach were a little slower to yield, but by continuing the food, that trouble has disappeared entirely. I am today perfectly well, can eat anything and everything I wish, without paying the penalty that I used to. We would not keep house without Grape-Nuts."

"My husband was so delighted with the benefits I received that he has been recommending Grape-Nuts to his customers and has built up a very large trade on the food. He sells it to many of the leading physicians of the county, who recommend Grape-Nuts very generally. There is some satisfaction in using a really scientific, carefully prepared food." "There's a Reason."

TOWNS FOUNDED BY MR. GREENWAY GAVE HIM BIG WELCOME

General Manager of C & A. Returns From Extended Tour During Which Time He Visited Scene of His Former Activities

John C. Greenway, general manager of the Calumet & Arizona Mining company, returned yesterday morning from an extended trip in the east and Canada. While in Minnesota visiting the iron mines of the Mesabi district, where he lived prior to coming to Arizona, Mr. Greenway was the recipient of many entertainments given in his honor by former employees. At Coleraine, Minn., he was met at the train with a band and escorted to the hotel, where a banquet was given in his honor. However, Mr. Greenway says he is very glad to be back.

"The more I see of other camps, the more I think of Bisbee," said Mr. Greenway. When seen yesterday by a representative of the Review, Mr. Greenway granted the following interview:

"While in the east I went to Chicago and arranged the New Cornelia bond matter, granting an appropriation to complete the New Cornelia & Gila Bend railroad, and to develop the Ajo mines. I visited the iron mines of the Mesabi district in Minnesota, paying a personal visit to Chibougamau and Marquette, all of which towns I built. They are now model towns and photographs of each of them are being exhibited at the Panama exposition. At Winnipeg, Canada, I met my mother and sister and went over the Canadian Pacific to Seattle, motoring from that point to

the expositions at San Francisco and San Diego. I stopped at San Francisco to witness the mine rescue and first aid contest, in which the C. & A. team took second place out of a contest in which there were 14 contestants. C. & A. being first of all metal mines."

Mr. Greenway said also that while in the east he found conditions somewhat depressed, there was great confidence of renewed activity among a great many of the business men with whom he had talked.

AT COPPER QUEEN.

Guests yesterday at the Copper Queen included G. B. Foyle, Denver; H. C. Buerger, Denver; J. B. Hutton, Buffalo, N. Y.; L. Tiger, Rochester, N. Y.; H. C. Harrison, E. B. Hott, D. D. Draper, Los Angeles; Ed R. Flach, Tombstone; H. B. Nally and wife, Tucson; J. B. Jesse, Kansas City.

HAVE COLOR IN YOUR CHEEKS

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion faded—tongue coated—stomach poor—you have a bad case in your mouth—a liver, no good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substance for calomel—were prepared by Dr. Edwards after 17 years of study with his patients.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color.

If you want a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days, you must get at the cause.

Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—but have no dangerous after effects.

They start the bile and overcome constipation. That's why millions of boxes are sold annually at 10c and 25c per box. All druggists.

Take one or two nightly and note the pleasing results.

The Olive Tablet Company, Columbus, O.
